clean

2 x 5L | EDN-UD-2X5

A ready-to-use biological based descaler and deodoriser. Utilises probiotic bacteria which release enzymes that effectively remove odours at the source, as well as break down uric scale in pipework. Ideal for use in and around urinal bowls, channel urinals and surrounding walls and floors. Works best in low flush systems.

6 x 750ml HDR |
EDN-UD-RF-6X750

Directions for use

For professional use only.

Do not use in conjunction with bleaches or biocidal products.

For use on urinals:

1. Do not dilute product before use.
2. Apply liberally onto the surface to be cleaned, ensure some enters the drain directly.
3. Leave for up to 30 minutes, before rinsing with clean water.
4. Repeat for stubborn stains, agitating with a brush if required.

For use on floors and walls:

1. Dilute 100ml of product into 5L clean fresh water.
2. Apply to surface via a mop or by wiping.
3. Leave to air dry.
